

Creating the Future III - Creative Education via Architecture

CALL FOR PAPERS
Helsinki, 10–11 November 2019

ARCHINFO

Creating the Future III provides a platform for architects, educators and decision-makers from all over the world to present their experiences and development activities in creative education via architecture.

The conference will open the participants with an opportunity to share and exchange ideas and methods of architectural education for children and young people. They will be able to discuss face to face and work together in hands-on pedagogical workshops.

We are looking for exciting projects from Finland and abroad. Please take a look at our conference themes and submit your proposal for a presentation or interactive workshop session, and share your valuable knowledge and experiences with all of us.

The emphasis will be on short presentations and interactive sessions.

Selected themes

Topics of interest include, but are not limited to, the following:

- Sustainability & architecture
- Creativity and the brain
- The significance of the built environment in education
- Participatory planning with children and youth
- Learning by playing

Presentations and workshops are held in English, as it is the official language of the conference.

Paper submission

The closing date for submissions is 31 April 2019.

Bio (800 characters including white spaces) and abstract (1600 characters including white spaces) written in Times New Roman, 12 pt., single space, wide margins (left and right 5,08 cm, top and bottom 2,54 cm) in PDF format. Additionally, a facial photo (colour, jpg) and three images clarifying the abstract (colour, jpg). The maximum size of the longer side of each image is 1500 pixels.

A cover page containing the name, affiliation, e-mail address, and telephone number of each author should accompany the abstract.

Material submitted via e-mail to papers@arkki.net.

Acceptance will be notified by the end of June 2019. The chosen presenters will be asked to send the presentation, and its detailed synopsis for the conference brochure by the end of September 2019.

Publication

Submission deadline for full conference papers is 30 November 2019. The organisers reserve the right to publish the selected material online at the conference website.

Let's create the future together – LOVE, THINK, DO!

On the behalf of the organising team,
